CHURCH MEMBERS WARNED.
Presiding Elders Adopt Resolutions Against Theatre Going.
FORT WAYNE, Ind., Dec. 7.—The central convention of the presiding elders of the Methodist Episcopal churches of Michigan, Indiana, Ohio and Illinois adjourned late last evening. The following resolutions were adopted before adjournment:
Resolved, That the convention of presiding elders deplore the tendency among a few of our people to favor and patronize those amusements forbidden by our discipline, and in antagonism to the historic spirit and attitude of our church. The hope and future power of our church is found not in the direction of conformity to the world, but rather in the experience of an untiring consecration of the heart and life to the service of Christ.
Resolved, That in order to the elevation of the standard of our ministry, we must pay more care to the original licensing of men to preach, and to the admission of men to the traveling connection, and that more vigorous means ought to be made use of to rid the annual conference rolls of the names of inefficient men.
Resolved, That we hail with delight the awakening of new purposes and plans looking to the evangelization of our cities and at the same time are impressed with the fact that the rural population demand no less vigilant and constant effort for their evangelization.
Resolved, That it is our judgment that the best efficiency of our work demands the removal of the time limit to the appointment of pastors.
